CALL FOR PARTICIPATION

Mark your calendar - June 3, 2010

13th Annual

Spokane Youth Environmental Conference

The Spokane Youth Environmental Conference is a one day, high energy event for students in grades 7-12. Students can benefit from collaboration, critical thinking, and written and oral communication skills while meeting state content standards.

Student presentations and poster projects are evaluated and those rated “superior” are eligible for a gift certificate award, made possible by private donations. In addition, participating schools receive a monetary award to support science programs.

To participate:

- Teachers need to complete the Pre-registration Form due February 26, 2010
- Students need to complete the “Abstract Form” due April 23, 2010

All forms are available at the conference website: www.syec.org

Scholarships to cover substitutes and transportation are available. For more information, visit www.syec.org or call 625-6535.
