

Spokane Youth Environmental Conference

Spokane Community College

2012 Conference Sponsorship Form

The Spokane Youth Environmental Conference invites you to partner with us to support this annual conference.

The 2012 Spokane Youth Environmental Conference is scheduled for May 17, 2012, at Spokane Community College. Sponsors help the conference committee continue its goal of inspiring teachers and students to pursue the environmental sciences, and participate in future conferences. Monies are used to provide cash grants to participating schools science department and gift cards to students with “superior” projects.

Three levels of sponsorship are listed below. Although we hope you are able to support at one of these levels, we would appreciate any amount your organization can provide. Thank you for your consideration!

Golden Eagle Sponsor

\$500 & above

Your company name and/or logo will be printed on conference materials for attendees, conference signage, posters and table tents, as well as on the conference website. Your company name will be listed in news releases. You may also loan us your company banners for the day to hang up in the conference presentations rooms and lunch room.

Silver Salmon Sponsor

\$250 - \$499

Your company name and/or logo will be printed on conference materials for attendees, conference signage and posters, as well as on the conference website. Your company name will be listed in news releases.

Bronze Dutch Clover Sponsor

\$100 - \$249

Your company name and/or logo will be printed on conference materials for attendees, as well as on the conference website. Your company name will be listed in news releases.

If you are interested, we can distribute corporate promotional items for all conference attendees (pens, magnets, post-it notes, key rings, and so on). We would need 200 of any particular item.

If you have any questions about becoming a conference sponsor, please call Margee Chambers at the Spokane Regional Clean Air Agency, 477-4727, extension # 114.

Company Name: _____

Address: _____ City: _____ State: _____ Zip: _____
