

Spokane Youth Environmental Conference

May 17, 2012, Spokane Community College

Visiting Teacher LASER Funding Request

The Spokane Youth Environmental Conference was the recipient of the 2009 Science Education Advocate Award: **Washington State Leadership and Assistance for Science Education Reform (LASER)**. Some of these funds have been set aside for teachers who wish to visit the 2012 conference to evaluate student participation for participation in a future conference. The funding would cover substitute costs. Teachers will only receive funding after attendance at the full conference. The check will only be issued to a school or school district. **Form due May 4, 2012.**

Teacher Name: _____

School: _____ Grade Level: _____

School District: _____

Phone: _____ Email Address: _____

School Mailing Address: _____

Mailing Address to send check (if different than above): _____

\$ _____ Substitute scholarship requested

By receiving the LASER grant funds, I agree

- to attend the full conference day (8:30 a.m. – 1:30 p.m.) on May 17, 2012,
- to make a sincere effort to prepare my class(es) for participation in the 2013 conference, and future conferences.

Teacher Signature

Date

Note: you will receive a notification letter and an email indicating funding approval status. Awards will be paid following the conference. Full conference day participation is required.

Please fax, mail or email your completed form to:
